ABOUT UNLEASHED

Who We Are

Unleashed Travel specialises in overseas group travel packages for school leavers looking for the ultimate experience. Grad Trip or “Schoolies Week” is a right of passage for New Zealand and Australians so why not have the trip of a lifetime? We have spent years researching exotic locations such as Fiji, Vanuatu, Europe and Cambodia to ensure we have the perfect mix of sun, fun and safety. Unleashed Travel is an Australian licensed and registered travel company.

The History

It all started in 2007 when a group of friends travelled to Fiji for a vacation and they realised this would be the new thing to do when you finished school. Now, over 15,000 Australian and New Zealand students have had the opportunity to #EscapeNormal and #DoMore. There were lots of steps in-between, but even today Unleashed still stands for the same values as when we opened over 8 years ago, creating happy travellers and the #TripofaLifetime for high school graduates.

The Unleashed Mantras

Everything we do is based on these values. They set the standard for the way we organise trips and how we live life each and every day.

#GoBeyond

We love creating incredible experiences for our travellers. We go the extra mile every day, recognising that the little things make a big difference.

#BringtheFun

We love what we do. We approach every day by embracing change, rocking a YES attitude and enjoying the ride.

#MakeanImpact

We seek to always make things better for our travellers and the communities that we visit.

#SharetheJourney

We believe that everyone should have the opportunity to enjoy the journey. This means working together, and making sure everyone is included.

#EmbraceEveryone

Inspiration can come from anywhere and anyone. Whether it's a new idea, a new friend, or a new culture, we love learning from every person we meet.

Creating Happy Travellers

Our travellers and the experience they have on their #TripofaLifetime is of the utmost importance.

Information For Parents

Jot Lynas | Managing Director

Dear Parents

I am very excited that your son or daughter is considering travelling with Unleashed Travel. Each year we unite students as they develop their independence, celebrate their academic achievements and have fun with their classmates. I want to take this opportunity to talk to you about our trips and invite you to contact me with any questions.

Since our inception in 2007, Unleashed Travel has quickly become the market leader in overseas school leaver holidays. Our focus is on creating trips that balance cultural experiences and quality time with friends. Unleashed Travel gives your child the ability to snorkel pristine waters and examine the precious corals of Fiji and Vanuatu, teach English in Cambodia or experience the wonders of Europe. Exploring new countries and cultures while enjoying time with friends in exotic locations is our ethos.

Our trips are designed to give the traveller a sense of independence although safety is of the utmost priority. All Unleashed destinations are staffed by Unleashed Crew. The Unleashed Crew are on call 24/7 and take the role of the older brother or sister wanting their siblings to be safe and have fun with their friends. They are also the first people your son or daughter will see once they clear customs and exit the airport. The Crew will introduce themselves and escort them through the transfer process all the way to the accommodation until it is time to return them safely to the airport. If your son or daughter must leave the island resort for any reason emergency or otherwise, they will be accompanied by a Crew member every step of the way.

Unleashed Travel go to great lengths to ensure that all travellers are safe from both themselves and others. Our no Duty Free alcohol restrictions ensures that there is no unmonitored drinking in rooms and no bottles of alcohol available for dangerous binge drinking. We assist local authorities to conduct bag searches on arrival to prevent any contraband making its way into the island resorts. We ensure extra security and tourist police populate each resort, creating a sanctuary for your child to enjoy themselves and make this trip the one they always talk about for years to come.

Our staff are available to discuss our trips in more detail and answer any concerns you may have and I encourage you to give us a call.

Sincerely,
Jot Lynas
Managing Director

Exclusive Use of Resorts

In Fiji and Vanuatu we charter our island resorts exclusively, this means that the only guests are 17 and 18-year-old school leavers.

Extra Security

We insist on having huge amounts of security at all of the resorts we use. The security are typically managed by the police and are on duty 24 hours a day.

Code of Conduct

The code of conduct outlines rules for students, including common sense guidelines pertaining to safety and behaviour. The code of conduct can be viewed in our pre-departure information. This must be agreed to by each traveller.

Alcohol

Bringing alcohol to any resort or on any coach is prohibited on all of our trips. We work with the local authorities to conduct bag searches and confiscate any contraband. In Fiji & Vanuatu 17 and 18 year olds are differentiated by our wrist band system.

Mandatory Travel Insurance

Travel insurance is required for all Unleashed travellers. Travel insurance is available via your local travel agent or via: www.unleashedtravel.com.au

No Undesirables

Undesirables or 'Toolies' is the name given to those that have enjoyed their own schoolies in the past and want to join the younger ones as they celebrate. The negative impact of these undesirables is very well broadcasted, often-instigating fights and anti-social behaviour toward the younger school leavers.

24/7

Expert staff available 24/7 on all trips.

Why Unleashed?

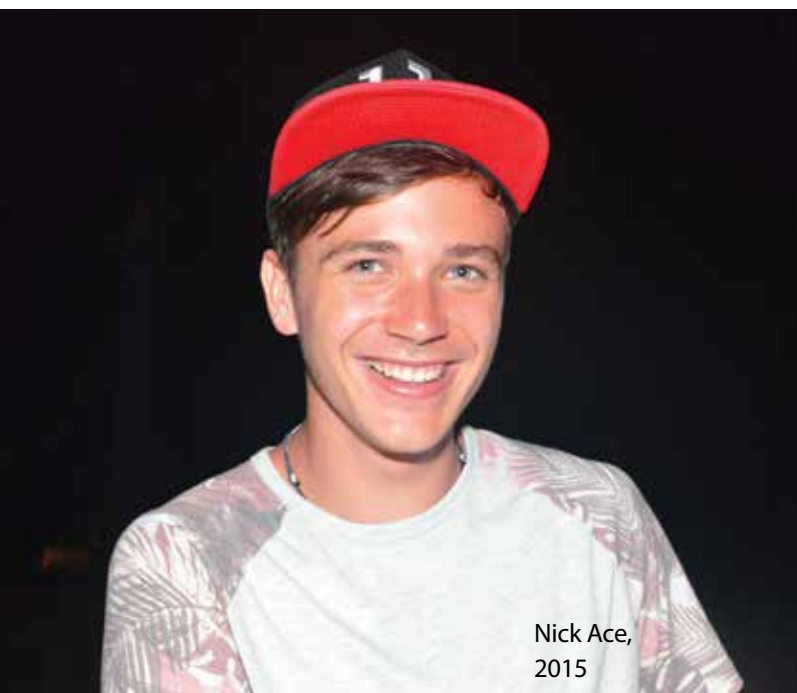

Annette Johnston,
MOTHER

I wanted to thank Unleashed for giving Pua the trip of a lifetime Europe Grad Trip 2015. She had the most fantastic time ever. All it took was one brief conversation with Pua's trip leader and I felt totally satisfied that my daughter would be in safe hands through the entire trip. Through the Unleashed organisation she not only experienced Europe in a wonderful light, she was introduced to some amazing people, other like minded students and the crew members themselves were just so interesting and so much fun to be around. She has formed friendships that I am almost certain will last for a very long time.

Craig Bowen,
FATHER

As a Father I was very concerned about my daughter attending graduation celebrations, especially when told they were thinking FIJI! Having worked in the travel industry for over 30 years I researched the business and asked lots of questions of my colleagues. In the end I couldn't have been happier with the serious way Unleashed approaches the care of its passengers. I felt safer sending Jess on an organised trip overseas than to an unorganised local one. Jess loved it so much she has been back each year working as part of the Unleashed crew, giving others their trip of a lifetime.

Nick Ace,
2015

Vanuatu Grad Trip was definitely one of the best experiences of my life! I couldn't have asked for a better holiday after the HSC with my mates and Unleashed Grad Trips definitely delivered a week I will never forget! I met so many new friends and got to know the Unleashed Crew and the locals, with all of them more than happy to help in any way they can to make the trip as amazing as possible!

Emily Chandler,
2015

2015 was when I went on a life changing graduation trip to paradise also known as Plantation Island, Fiji. Not only did I get to see the incredible sights of Fiji, but also the beauty within shown by the Fijian people. This was especially highlighted for me on a Cultural Exchange day, a day where I was able to experience Fijian culture through song and dance. This was my first experience overseas and the Unleashed crew were undoubtedly devoted to making us feel welcome and comfortable, enabling us to get the best out of our trip! I wouldn't change anything about my trip with Unleashed!

Meet The Crew

The Unleashed Crew is a team of experienced travellers from various backgrounds including, youth workers, teachers, university students and personal trainers who are available day and night. In addition to the Unleashed Crew we also invite the Red Frogs team.

The Crew are all senior first aid certified, hold a valid 'Working with Children Check' and are experienced in managing groups of teenagers. The role of the Unleashed Crew is:

2. Escort all Unleashed guests through the transfer process. For example, after boarding the coach in Nadi the Crew will escort you onto your transfer boat. Next stop, your island paradise.
3. Always accessible. The Unleashed Crew are equipped with local mobile phones at all times. Hotel/resort reception can call the crew anytime on your behalf. The Crew are always approachable for questions, concerns or just a chat 24 hours a day.
4. To be with you every step of the way. If an Unleashed guest must leave the resort or island to seek medical attention, then they will be escorted by an Unleashed Crew member. All locations have emergency action plans in place.

School leavers safety tips brought to you by Red Frogs:

- Never go anywhere alone
- Drink plenty of water
- Stay in well lit areas
- Never leave drinks alone

Red Frogs is an internationally recognized school leavers and universities support network which has been operating for over 14 years.
